

Questions

1. Who are the buyers and how will they find my home?
2. What method would you (the agent) suggest I use to sell my home and why?
3. What marketing do you (the agent) recommend and why?
4. How will the highest price be achieved?
5. What happens when an offer is taken on my home?
6. Am I locked into an agreement even if I am not happy (or think the agent is not doing a great job)?
7. What strategy would you (the agent) suggest when selling my home?
8. How long does it take to get a property on the market?
9. Do you (the agent) allow all agents working with buyers through my home from the start to ensure you get every buyer through my property? (Excluding a buyer pool could cost you – as the seller - thousands of dollars.)
